Full Stack web developer graduated from Henry's bootcamp and Computer Science student at UNAM. I have solid knowledge in JavaScript, HTML, CSS, React, Redux, Express, Node, PostgreSQL, Sequelize, Git and experience in agile methodologies such as SCRUM. During my time as a Full Stack Teaching Assistant at Henry, I was able to develop key skills such as leadership, effective communication, empathy, and teamwork. In addition, I participated in the creation of a book ecommerce, applying my knowledge in Front-end and Back-end.

Outside of work, I have a passion for continuous learning, currently focused on gaining knowledge in TypeScript, Tailwind CSS, Figma and MUI. My level of English is C2-Proficient.
